DETAILED ACTION

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 1-4, 8 and 16 are rejected under 35 U.S.C. 102(b) as being anticipated by Tucker et al. (4,947,753). Tucker et al. disclose, in figs. 1 and 5, a collar key comprising a collar 12, secured to a container 10 and having a first flange 30 and a second flange 30 extending radially therefrom; a clearance 28 for receiving a keyplate 64 therebetween; a keyless surface 44; at least one of the flanges defining a notch 42 at the forward end; and a rearward projecting hold (tab) 32 preventing rotation (movement) of the collar.

3. Claims 1-3 and 8 are rejected under 35 U.S.C. 102(b) as being anticipated by Holzoner (5,439,144). Holzoner discloses, in figs. 3 and 5, a collar key comprising a collar 105 secured to a container 10 and having a first flange 105b and a second flange 116 extending radially therefrom; a clearance for receiving a keyplate (88, 69) therebetween; a keyless surface 110; at least one of the flanges defining a notch at the forward end;

Allowable Subject Matter

4. Claims 12 and 13 are allowed.

Art Unit: 3754

5. Claims 5-7 and 9-11 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Response to Arguments

6. Applicant's arguments with respect to claims 1-4, 8 and 16 have been considered but are moot in view of the new ground(s) of rejection.

Conclusion

7. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
